Read an Islamic book?																														
Make sincere dua before iftar?																														
Use a Miswaak (toothbrush)?																														
Give a little in charity?																														
Sleep with Wudhu?																														
Wake up for Suhoor/ Sehri?																														

DID YOU KNOW...?

We receive 10 rewards for every letter of the Qur'an we recite

Whoever sends 1 durud/ salawat upon our Prophet ﷺ, Allah will grant him 10 blessings

Allah is not in need of the person's fast who does not give up lying or evil deeds

The best charity is that which is given in Ramadhan.

Allah has promised special rewards for fasting in Ramadhan, the value of which only he knows!

The 5 daily prayers wipe out all minor sins

Sincere dua made before iftar time is always accepted!

Allah has put special blessings in sehri/ suhur

Worship on the night of power [Laylat ul-Qadr] is as valuable as 1000 months' worth of worship!

If you pray Taraweeh and hope Allah rewards you, ALL your sins will be forgiven, inshaAllah!

Reward for praying salah after doing miswak is 70 times more than praying without doing miswak.

The Prophet ﷺ used to seek forgiveness from Allah 100 times in a day!

Make a firm intention to continue these good deeds after Ramadhan, throughout the year!

Please make Dua for ALL those who helped with preparation, printing and distribution – Feel free to share widely
